CAPABILITY STATEMENT

DIGGATRUCK LIMITED

Practical solutions, quality workmanship, and stress-free project execution.

---

1. COMPANY OVERVIEW

Diggatruck Ltd. is an established, family-owned civil earthworks, excavation, and landscape construction contractor based in West Auckland and servicing the wider **Auckland Region** (from Wellsford to Pukekohe). Registered in 2022 (NZBN: 9429050268955), we provide reliable residential and commercial services ranging from the initial groundwork to final site clean-up.

We have built a strong reputation with homeowners, builders, and property managers for navigating **steep land and tight-access conditions**, delivering precision work on budget, and maintaining clear communication from start to finish.

---

2. CORE CAPABILITIES

Earthworks & Precision Excavation

- **Site Preparation & Cuts:** Precision house and building foundation cuts, cutting, leveling, and terracing.
- **Trenching & Drilling:** Utility trenching, drainage preparation, and specialized post-hole boring.
- **Demolition & Breaking:** Controlled concrete and rock breaking, structural demolition, and rapid disposal.

Civil & Landscape Construction

- **Driveways & Parking:** Infrastructure development including construction, resurfacing, expansion, and permeable paving installations.
- **Retaining & Engineering:** Engineering durable timber, concrete, and rock retaining walls tailored to slope stabilization.
- **Reinstatement & Vegetation Management:** Bulk land clearing, vegetation management, section cleans, and green-waste recycling.

Supply Chain & Material Logistics

- **Aggregate Supply & Cartage:** Efficient bulk cartage and reliable delivery of topsoil, sand, mulch, metal, scoria, and aggregates.

- **Environmental Disposal:** Responsibly managed site cleans, waste removal, and concrete recycling services.

---

3. THE DIGGATRUCK DIFFERENTIATORS

- **Tight Access & Steep Terrain Specialists:** Equipped and highly experienced in operating safely within complex, narrow, or steeply inclined Auckland environments.
- **End-to-End Project Management:** We manage full workflows—from earthmoving and material procurement to structural build and site handover—eliminating the need for multiple subcontractors.
- **Peerless Client Satisfaction:** Boasting a **4.9-star market rating**, we are widely recognized for innovative problem-solving, structural integrity, and tidy operations.

---

4. COMPLIANCE, HEALTH & SAFETY

Diggatruck Ltd. operates under strict industry safety management systems to guarantee compliance on commercial and residential sites:

- **PREQUAL Certified:** Formally assessed contractor organization for health, safety, and operational compliance.
- **Site Safe Membership:** Active members dedicated to fostering a safe workplace culture.
- **Qualified Operators:** Personnel hold New Zealand-recognized qualifications, ASWEFA certifications, and certified first-aid training.
- **Fully Insured:** Comprehensive public liability and asset insurance coverage for total risk mitigation.

---
